The Government of Reconciliation and National Unity of Nicaragua; the Sandinista Front for National Liberation, we especially greet this Meeting for a World Social Alternative, which is being held in Caracas, Venezuela, on the 213th Anniversary of the Proclamation of Independence in that Sister Country.

We greet with thanks the opportunity to be here, United as always, in Battles and Victories, in Combats that are Victorious now and in future, because we know how to proclaim the True Truth. To proclaim and demand Justice, Rights, Peace, with Dignity and Freedom for all our Peoples, who are Valiant and Strong.

To Comrade Nicolás Maduro Moros, Constitutional President of Venezuela, to the Comrades of the

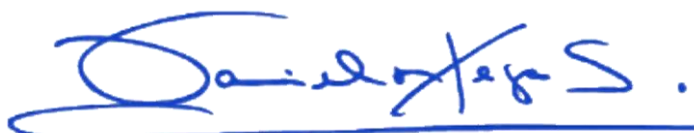

PSUV, our Fraternal Embrace, sharing all the Daily Battles and Making Our Way Together along the Paths of the Future, in accordance with the Legitimate and Fundamental Demands of our Peoples.

Happy and proud to share with so many Leaders of so many Heroic and Noble Peoples, we reaffirm that the Path of our Heroes and Guides is Always Further On, that We Always Go Further On Together, with Eternal Comandante, Hugo Chávez Frías, with Fidel, with Bolívar and Sandino, with Martí, with Daniel and Nicolás, such that, as we have always said, United We Overcome and We will Overcome.

Warm embraces, with all our Respect and Love.
