**AND COMPAÑERO PRESIDENT NICOLAS MADURO**

The Government of Reconciliation and National Unity of our Blessed, Sovereign Nicaragua, Forever Dignified and Free, salutes, with Fraternal, Revolutionary and Evolutionary Heart and Soul, the Bolivarian Government of Venezuela, its Highest Authorities, and the Beloved Comrade and Compañero, Constitutional President and Candidate by Popular Choice, to be Re-elected next July 28th on the 70th Anniversary of the joyful arrival to this World of Eternal Comandante, Hugo Chávez Frías.

We greet President Nicolás, our Brother and Comrade, Cilia, the PSUV, and all that Brave, Valiant and Noble Bolivarian People, at a time when the infamous pack of the United States

of America and the Colonial and Neocolonial Empires, has been unleashed again, against the Sovereign Will of the People of Bolívar, of Chávez, of Nicolás.

We ratify our Unconditional Love, our Permanent Brother and Sisterhood, our Union, in constant, determined and unyielding Pilgrimage, obligatory Sacred Pilgrimage for the Inalienable Rights of our Peoples.

We salute you, Brave Venezuelan People... We greet you with an always Warm Embrace, Comrade Nicolás, and we reiterate our Certainty that the Way is Always Further On, because we deserve to achieve every Victory, with the Grace and Blessing of God.

Those of us who know the Stones along the Way know that our Destiny is to Struggle, Strive and Fight, to Overcome, to Win, to Tirumph...

Because We continue to overcome, Comrade Nicolás,  
in a Free Nation, in a Nation of Freedom.
